

2013 年傑出系友得獎人

張麗亞系友 (Alice Chen)

After graduating from NTU School of Pharmacy in 1969(第十三屆), Dr. Chen started her Ph.D. study in Radiopharmaceutical Chemistry at University of Southern California in Los Angeles. Then she transferred to the leading Doctor of Pharmacy program in USC and graduated in 1972. She was very encouraged to see the growing importance of the new clinical pharmacist's role as a major contributor of health management for patients.

In 1979, Dr. Chen started working for Kaiser Permanente Medical Group as an outpatient pharmacist. Kaiser Permanente being the largest HMO in USA, invests heavily in the most modern technology in patient care.

In 1990, Dr. Chen was promoted to management positions of various pharmacies, which specialized in Pediatrics, Internal Medicine, Urgent care, hospice care and mail orders.

In 1997, Dr. Chen became the Director of Kaiser Permanente Bellflower Medical Center, which is a 24/7 facility with emergency room services and one of the highest volume pharmacies. Being passionate about patient care and determined to reduce prescription waiting time to 15 minutes, through intense staff education, communication and monitoring, she improved the patient satisfaction from 69% to 96% (the highest score in California Medical Center Pharmacies) in 3 years.

Dr. Chen retired in 2006 from Imperial D-1 pharmacy, which she helped to develop into a diabetic special service pharmacy.

Dr. Chen has contributed to many professional and community associations. She has served as President and treasurer for NTUSPAA in North America, board member for NTUAA in southern California, co-founder of Rayshine Choir in Cerritos and Cerritos Chinese Senior Association, secretary of Friendly Hills Country Club Women's Golf Association and co-founder of Chen Foundation, which is a public charity foundation.

2013 年傑出系友得獎人

陳永順 系友

陳永順系友為母系第 13 屆畢業（民國 58 年畢業），目前為中華景康藥學基金會榮譽董事長。

陳系友幼年求學經歷曲折，小學時家境由原本優渥瞬間陷入艱困，但其秉持強大之毅力耐力與豁達的胸襟，經歷同學家長的資助才得以就讀初中一年級、休學一年到文具印刷公司當練習生每天騎腳踏車送文具印刷品以賺取學費、復學後成績優異領取華菁兼愛獎學金以支付註冊費等。1962 年省立成功中學初中畢業時全班第一名，直升成功中學高中部，進而考上臺大藥學系。

陳系友做事誠懇又負責，熱心又無私心，大學時代總是被公推為班代表及學生會會長，是同學心目中「永遠的班長」。進入職場後也秉持相同之態度，負責、認真與可親、可信任的好人緣，加上超強的

團隊領導能力，讓他升遷的速度比人快。1970 年先是在台灣必治妥公司擔任業務，當時 100 多人競爭只錄取 3 人。隔 2 年晉升地區經理，接著升任開業醫經理、西藥部經理、業務經理。陳系友的團隊領導秘訣是 - 與團隊交心，藉由團隊的力量創造不凡的業績。可是他不由此為滿足，趁著工作空檔準備托福及 GRE，1979 年留職停薪赴美攻讀 MBA，加強經營管理與會計財務領域。1981 年回到台灣必治妥公司擔任西藥處處長（相當於現在的西藥事業部門總經理）。1983 年離開原公司與友人合夥投資，1984 年擔任生達製藥公司行銷副總。

多年來累積的職場經驗，陳系友於 1985 年自行創業，接手「東明藥業」公司，打造了胃腸藥 Gascon、開創肝膽藥 Urso 在台灣市場成為領導品牌，更是讓風濕免疫用藥 Hydroxychloroquine 成功的行銷，接著勇於嘗試並成功地經銷心衰竭用藥 Carvedilol 等，在業界均有極為亮眼的表現。這些成功並非偶然，陳系友平日即閱讀相當多的文獻，認為對自己的產品特性要比別人有更徹底的瞭解才能行銷成功。後來投入藥品研發 R&D，發展泌尿道藥品 Oxybutynin 的

長效劑型，更是花費 10 年心血。

陳系友向來待人和善慷慨，其公司員工福利也比同業都來得好。雖公司營運良好，但因子女無意願接手這個事業，陳系友也培養了攝影的興趣，幾經深慮，最後決定提早退休，於 2010 年忍痛轉讓無數心血創立的公司。退休之後陳系友專心於拍照攝影，他與妻子兩人的足跡踏遍世界各地。

不過，陳系友仍舊關心藥界種種，諸如政府的藥品政策、新藥發展等，都有精湛的見解。並積極參與藥界活動，曾擔任藥師公會理事及景康基金會董事長。尤其對母系未來的發展更是關心，既出錢又出力，目前每年捐款五十萬元予母系。陳系友以其敦厚踏實的風格，貢獻台灣的醫療產業，其願意付出與回饋的精神更是贏得眾系友的推崇。
