

NTU College of Pharmacy Mission and Scope

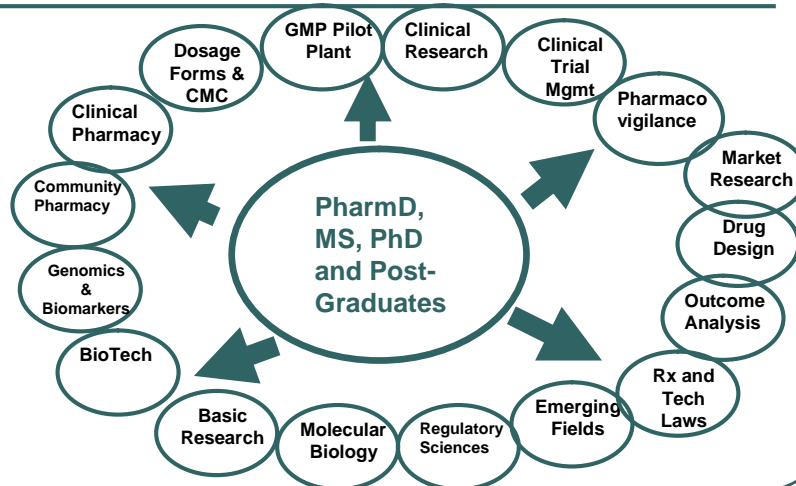

NTUSP Alumni Dinner, Taipei
May 16, 2008

Mission Statement

- Elevate the Capability of NTU Pharmacy School to International Standard and Cultivate Leaders in Taiwan in the following areas:
 - Pharmaceutical and Allied Industry (R&D and Manufacturing)
 - Clinical Practices
 - Community Services
 - Pharmacy Education

**By upgrading overall Pharmacy program
and facility in NTU**

Future State*

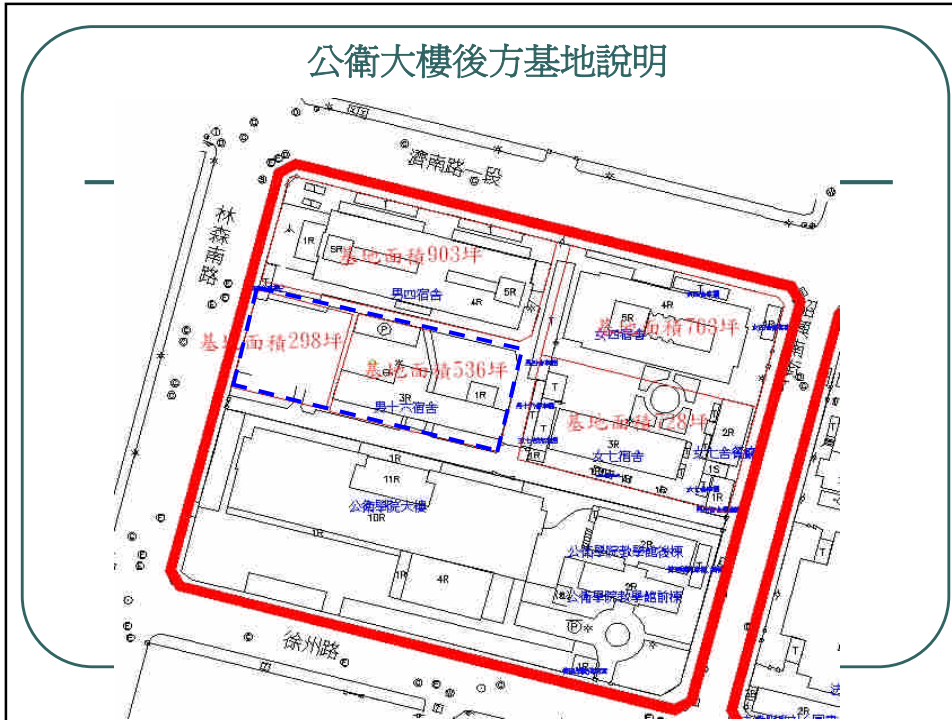

* Current career path for US graduates

Project Status

- 專業學院 已批准通過
- 基地包括公衛大樓後方及竹北校區
- 預估樓板面積 (incl. common area) :
台北：2370* 坪，竹北2563坪 X 30%
- 台北校區預計2009年暑假可動工。
- 竹北五月送第三次環評。預計2009年暑假可Occupy

* Exclude underground parking, vs current space 1500坪

公衛大樓後方基地說明

Critical Issues

- Program Upgrade: Minimum Requirement of Faculty Number - 30
- Six Year vs. Four Year Program
 - Starting 2009: 15/45 students
 - In 2011: Full conversion to 45/45
 - First graduating class: 2013
- Recruitment of highly qualified clinical, research and teaching faculties and staff
- Ensure adequate resources to support our goals

Establish A Strong Pharmacy School Team

- Top notch programs and scientists in research, education and training
- Sustainable funding and operations
- Demonstrated leadership in emerging clinical and research fields
- Supply future leaders in pharmaceutical and related fields for Taiwan
- Leverage resources and secure strong support among alumni, friends, and industry

**A Brighter Future for Pharmaceutical Sciences, Industry,
and Pharmacy Practices in TAIWAN!**

How to Achieve These Leadership Goals

- A strong leader and advocate for our mission
- A well-balanced team with various recognized expertise; ability to lead multidisciplinary collaboration
- \$\$\$\$\$\$\$\$\$
- Need support from NTU, College of Medicine, COP, alumni, industry, and community
